

Privacy Policy

I. Privacy Policy

The privacy of your information is extremely important for us.

This means that we are committed to protecting your privacy so that your experience with us is a pleasant and secure one.

Our policy is that all personal information you provide, such as your name, postal address, e-mail address, telephone number, date of birth, sex, IP address is private and confidential and will not be shared, rented, sold or distributed in any manner to any other person, company or organization, with the exception of third parties who help us to provide our services. Such third parties may include:

- 1) payment service providers
- 2) email service providers
- 3) sms service providers
- 4) inbound and outbound voice call service providers
- 5) online chat service providers

II. Cookies Policy

The protection of your personal data is important to us and we comply with applicable laws and regulations. This cookie policy informs you what cookies are and how we use these cookies on our website.

We use cookies on our website.

If you wish to contact us about this, you can do so via contacting the support.

Cookies are small pieces of information that are stored by the browser on your device (such as computer, tablet and smartphone) when you visit our website. These cookies allow us to register certain information about the users of the website (e.g. language choice, duration of your visit to the website, etc.). This information also helps us to better tailor the website to your wishes, preferences and ease of use.

Only the following cookies are used on our website, for various purposes:

1. Strictly necessary or technical cookies: These cookies are essential for the functioning of the website. These cookies facilitate browsing and allow you to use the features. Without these cookies, the services that are necessary for, for example, the security of the website could not be offered.
2. Functional cookies: These cookies collect data to improve the user-friendliness of the website and the visitor experience (such as recognizing you when you return to the website, remembering your username and language or country choice, and remembering changes you have made such as: the font).
3. Analytical/statistical cookies: These cookies collect data about how visitors use the website (such as which pages are most visited, how visitors click through from one link to another, whether visitors receive error messages, etc.).

The technical and functional cookies collect data on the basis of the legitimate interest of our company (only and when the legitimate interest of our company outweighs the interest of the data subjects). The analytical cookies process data based on your consent.

The collected data may be used by the integrated services on our website but only for the purposed of rendering quality services to you.

If you want to change or withdraw your consent, you can use the browser you use to visit the website to adjust the conditions for the cookies, such as activating, disabling or deleting cookies. You must follow the instructions of your browser for this.

If you do not activate certain cookies, we cannot guarantee you a problem-free visit to the website, for example due to delayed pages or the possibility that certain parts of the website are not accessible and/or useable, or that they are only partially accessible and/or cannot be used.

Some website pages may use third party services or software, such as maps, online videos, or social networking features. Many of these services may set cookies in your browser. This website has no control over third-party cookies but visitors can opt-out of these cookies via their browser.

Storing cookies. The storage period of the cookies depends on the type of cookie. For example, a session cookie will no longer be on your device after you have stopped surfing. Persistent cookies, on the other hand, remain on your device even after you stop browsing, until they expire or you delete them.

We reserve the right to change this Cookies Policy at any time. In the event that we make material changes to this Cookies Policy, it will be re-posted in the "Cookies" section of our website with the date the modifications were made indicated at the top of the page. Therefore, please review this Cookies Policy from time to time so that you are aware when any changes are made to it. Your continued use of the Websites after such change(s) constitutes your acceptance of any such change(s), and if you do not accept any changes, you may choose not to use the website.
